Dear Mr. Fuller:

This is in response to your letter of September 11 concerning denial of entry into Israel to five black Americans on August 30, 1980. I received your letter this afternoon and attempted to reach you at the telephone number given in it. I appreciate your informing us of what happened to your group, and would like to meet with you as soon as it may be convenient for you. If you would telephone me at 622-3672, we can set a time.

Sincerely,

David Korn
